“Very truly I tell you,” Jesus answered, “before Abraham was born, I am!” John 8:58

URSYNOW SATELLITE CHURCH

The Puławska church in Warsaw just launched a satellite church in the Ursynow district of Warsaw on October 14. It is exciting to see new fellowships established in the various districts of Poland's capitol. Within the last two years, new churches have been launched in Bemowo, the Centrum, Wilanow, and Ursynow. It is our prayer that every resident of Warsaw will have the opportunity to hear the good news of Jesus.

130 STUDENTS
CSM (the school for training musicians/worship leaders) is bursting at the seams as 130 students enrolled for the 2018-19 session! The school offers classes in two locations: Pawelki in the south and Warsaw in central Poland. Students attend one weekend a month and continue their studies via e-tutorials. We are thrilled to partner with CSM as they build up the worship ministry of the churches in Poland.

NEW INTERIM DIRECTOR AT OSTRODA CAMP

We are excited to introduce Bartek Zdanowicz as the new Interim Director of Ostroda Camp. Please join us in praying for a smooth transition as the Korytkowski family move back to the States and Bartek assumes this new role. Andrzej Korytkowski will continue to serve the camp from Stateside as he mentors Bartek, raises funds for special projects, and helps coordinate short-term teams and interns coming to serve the camp.
PCM just concluded a 10-day tour in Oklahoma and Kansas. It was good to finally share in person with two of our newest supporting congregations in Oklahoma: Southwestern CC in Weatherford and Western Hills CC in Lawton. We presented PCM's ministry for the first time to the church in Canton, OK, before traveling to Kansas where we met folks from the Christian churches in Zeandale, Junction City, and Council Grove. We also enjoyed interacting with students at Manhattan Christian College as part of their Opportunities Fair. A big THANK YOU to all these dear ones who faithfully pray and support the work God is doing in Poland.
Please pray for Daniel Masarczyk and the church in Sosnowiec as their new sanctuary is completed but they are still seeking approval from the local government for occupancy and usage. The funds we have received for our Church Building Fund have provided support for this addition to the Sosnowiec church as well as for twelve other building and renovation projects.

We have almost reached our goal of $175,000 for the Church Building Fund. Please consider giving so we can realize our goal by the end of 2018.

A big THANK YOU to all those who have already given! It's so encouraging to see your gifts materialize into new worship centers and renovated facilities where more and more Polish people can come and find new life.
