“Now He who supplies seed to the sower and bread for food will supply and multiply your seed for sowing and increase the harvest of your righteousness;…”
II Corinthians 9:10

God is at work in Poland and we are excited that people are coming to Jesus and churches are growing. As we at PCM have prayerfully considered how to encourage even more growth, we’ve determined three key areas that could use our assistance: 1) building projects, 2) Polish student scholarships, and 3) a worship training center.

Church Buildings

Currently, there are two major building projects and six renovation projects underway in Poland. The construction of a new addition in Plock has recently begun. The $175,000 goal reached in 2018 has been distributed and the needs continue.

Scholarships

Scholarships are needed for young Polish leaders to serve in Polish churches, to intern with U.S. churches, and/or to receive training at a Bible seminary, the CSM worship/music school, or the TCM institute.
Worship Training Center

Approximately 140 students are enrolled in CSM (the school of worship/music) for the 2019-20 school year. As their ministry continues to expand, there is a great need for a building of their own to serve as a worship training center.

God has stirred our hearts to dream big to meet these needs. Our goal is to raise $300,000 for these 3 projects in the next 3 years. We’re calling it “3 for 3 in 3.” Would you prayerfully consider helping us reach our goal with a monthly, annual, or one-time gift? Donations may be made payable to "Polish Christian Ministries" with "3 for 3 in 3" in the memo line. We so appreciate your partnership in assisting Polish churches!

OCTOBER TOUR

It is always a joy and privilege to meet and worship with U.S. churches. We
recently had the opportunity to meet with two churches in Richmond, KY: the Salem Christian Church which supports Jacek Konicki in Plock and the Union City Christian Church which supports Wojciech Lemke in Gdynia. In Ohio, we met with the mission team from the Fairfield Christian Church in Lancaster, and then with Matt and Haylee James (former PCM interns) in Mason. Our tour concluded in Oxford, IN, with the Oxford Church of Christ. We give God thanks for faithful ones such as these who pray and give on behalf of the Polish churches.

SEE YOU IN KC!

The International Conference on Missions (ICOM) is just around the corner! It is a wonderful gathering of global-minded servants whose greatest passion is to see Jesus exalted in the earth. The focus this year is on reaching the cities of the world for Christ. We hope to see you in Kansas City! Come visit us at booth 417.
