"Take up the shield of faith with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the Word of God." Eph 6:16-17

ANNUAL PASTORS' CONFERENCE

Pastors and leaders from all over Poland gathered again this year in Zakosciele for a time of teaching and encouragement. For PCM, it's a great opportunity to meet face-to-face with many of our Polish ministry partners. We thank God for these leaders who faithfully serve their churches and communities in the name of Jesus and for His glory.

NYSA

It was our privilege to worship with Pastor Bartek Robel and the congregation in Nysa in mid-May. Bartek and Agnieszka's daughter, Iwona, served as a PCM intern in the States last summer so it was nice to visit with them and hear stories of all God did during her time there. We appreciated the time of worship together and the dedication of the church leaders. The church is reaching out to their community in significant ways and we thank God for the way they are shining His light in their city.

MESSIAH COLLEGE TO PLOCK

We were so excited to welcome a team from Messiah College (Mechanicsburg, PA) to Poland for the first time! Their team of twelve (10 students and 2 leaders) taught English in the high school in the city of Plock. Throughout the week we were able to interact with hundreds of Polish students as we were teaching 24 classes per day. We were amazed when 26 of the Polish students came to our final worship service on Friday night! Initiatives like these are significant as they help build bridges between the church and their community and establish their reputation in the city in a positive way. We are thankful for this new partnership with Messiah College and hope to welcome more teams in the future.

NEW PCM MINISTRY INTERNS

We are very happy to welcome two new PCM ministry interns to Poland this summer! Austin and Keilah King are graduates of Ozark Christian College in Joplin, MO. Keilah's internship is fulfilling requirements for her intercultural studies degree. They served alongside the Messiah College team in Plock and will be joining us in several more initiatives throughout the summer. We thank God for this young couple and their desire to be used of God to serve the people of Poland.
