

## UKRAINIAN REFUGEE UPDATE

---

Due to the ongoing intensity of the war in Ukraine, a third wave of refugees has already begun making its way to Poland. Please pray for stamina for volunteers and the provisions to meet their needs.

Since most of the refugees belong to the Ukrainian Orthodox church, they will celebrate Easter this Sunday, April 24. Many of our Polish churches are hosting Ukrainian Easter services led by Ukrainian believers in the Ukrainian language (with Polish translation). We pray many will be touched by God's grace and love.

PCM is in partnership with 19 non-profit organizations who are sending significant funds to Poland through us. IDES (International Disaster Emergency Services) has shipped 2 large food containers containing a total of 520,000 pre-packaged servings. These containers are expected to arrive in Ostroda within the next week. A portion of these food servings will be transported from Ostroda into Ukraine.

To date, PCM has sent \$411,357 to Ostroda Camp and 24 Polish churches for Ukrainian refugee assistance.
